

My Life has been tough! My dad committed suicide when I was 2 years old. 17 years later after not hearing from my mom for 24 hours, I went to her home to check on her, as I walked in my mom's room, I found my mother, she had hung herself. I was 19 years old at the time, my son was 3 and I was 7 months pregnant. My life was spiraling down quickly.

A friend invited me to church and today, I'm inviting you to that same church.

Come experience what I did, it can change your life. I look forward to meeting you.
